Dear Master Lian Tzi,

On behalf of Alternate Shelter Society, I would like to thank Lotus Light Society for your gracious donation of snacks for your youth. Each of our youth will receive a snack box as a Christmas surprise then all additional boxes will be utilized as in-house snacks for the youth or packed for youth to bring to school.

To Master Lian Tzi, Ada Jang and all the other wonderful people and volunteers at Lotus Light Society, thank you for the amazing work that you do for so many of society's less fortunate.

Sincerely

Al Foster, Managing Director
