

Dear Master Lian Tzi

Thank you for your generous donation. I sincerely appreciate your support in awarding me the Lotus Light Charity Society Mu-Shu Lee Memorial Scholarship. I am a fourth-year bachelor of social work student at the University of British Columbia. I was born and raised in East Vancouver. When I am not in school I work at various homeless shelters in the lower mainland and at an after-school facility with youth. This award helps to further my studies and alleviates financial stress during an unprecedented year. After I complete my bachelor of social work I aspire to go to law school and pursue social justice based law. Your generosity allows students like me to make positive impacts in our communities.

Thank you again for your philanthropy!

Claire
