## Lotus Light Care about Single Parents Gift Cards Program:

Lotus Light is now accepting applications for the month of February of 2021 by emails only at this email address: llcs.care@gmail.com. The deadline for February's applications has been extended to: 9pm Saturday, January 16th, 2021. Due to the huge influx of single parents applying for the Vancouver branch of the Lotus Light Charity Society's Care Program for Single Parents during the COVID 19 pandemic, the board of the Charity has decided to increase the budget and expand this program until the end of March 2021!

Please provide a brief description of you and your family and why you and your family should be selected and most important: your address.

Due to the current situation, only selected applicants will be contacted and receive the gift cards through the regular postal system.

Thanks to the support from the Government of Canada and United Way Lower Mainland, Lotus Light forms the Lotus Light Emergency Food Hub in December last year to help single parents families, high school students from low income families, and to provide free meals to help the homeless population in DTES community.

**Lotus Light Covid-19 Emergency Food Hub is a member of the United Way Food Hubs funded by the Government of Canada and administered by the United Way Lower Mainland.**
