

Kerrisdale Oakridge Marpole Community Policing Centre

7th May 2021

Dear President Master Lian Tzi,

I would like to personally thank you for all the kind donations given to our organization in 2020. Without partnerships such as yours it would be near impossible for us to keep our food drive open.

Last year we were seeing on average 100+ people a week come through our doors in need of help. Due to the ongoing pandemic this number has now doubled, and we have 200+ people a week. We are now reaching out to organizations such as yours again to ask if you would possibly have any donations you think could be of use to us?

Again, thank you so much for helping us tackle this ongoing issue.

Kind Regards,

Kate Molloy
