Dear Sean,

I want to take this opportunity to express my heartfelt gratitude for the significant and consistent food donations that Lotus Light Charity has offered to the students at SFU over the last year. Your recent contribution of noodle soup is all the more impactful in these times of inflation and food unaffordability.

As a community-engaged university, SFU seeks opportunities to address critical societal issues and complex challenges, and we thank you for helping us to do so. Your generosity will ensure the continuation towards a sustainable and equitable community. Together, we are leveraging the power of community engagement to ensure the future is a healthy and inclusive one. Thank you for your generosity and consideration!

With sincere appreciation,

Tara Flynn
