To: Master Lian Tzi of Lotus Light Charity Society

We would like to Thank Master Lian Tzi and Lotus Light for the very kind donation of the laundry soap, non-perishable food items, personal care items and the gift cards that valued to \$1000.00. The families of Grandview Elementary very much appreciate the dedication and generosity of Lotus Light Charity Society. As the community is slowly recovering from the Covid -19 pandemic, many still are suffering the effects of this pandemic.

Thank you again Master Lian Tzi and Lotus Light Charity Society for your donation to the community of Grandview Elementary
