Dear Master Lian Tzi,

The Heart Tattoo Society would like to extend our gratitude for the waffle donation, and also all the other donations your team has blessed us with. The waffles were a wonderful addition and have given breakfast to many people over the last week.

It is amazing to think that almost 10000 waffles were recovered and distributed to the most in need, instead of being thrown away or destroyed. Also over the last few weeks, Lotus Light has given us 400 kilograms of meat. Donations like these allow us to keep our monthly meals at 12000.

We are looking forward to continuing and growing our relationship with Sean, Teresa, and all of the fine people within your organization. Thank you once again.

Regards

Chef Evan Reeks
