Master Lian Tzi, President
Lotus Light Charity Society
#200 – 357 East Hastings Street
Vancouver BC

Dear Master Lian Tzi,

On behalf of the Strathcona Community Policing Centre, I express my sincere gratitude and thanks for the large donation of food (beef noodles) made to our charity.

Our purpose is to make the community a safer place for all who live and work here. To us, this includes making sure people are safe by having something to eat when they are struggling. Your donation of food will be used during one of our upcoming winter outreach events, and it will be provided to community members in need of help.

We greatly value the relationship our two organizations have had over the past 3 years. We share a passion for helping others, and we both love this neighbourhood and the people who live and work here. I know that our friendship will continue, and we will find new ways to work together to make this community a better place than when we arrived.

If there is anything we can do to return the favour, please ask.

Thank you,

Dan Turvill (He/Him)
