To: Master Lian Tzi of Lotus Light Charity Society

Grandview Elementary School would like to take this opportunity to Thank Master Lian Tzi and the Lotus Light Charity Society for the very kind and much needed support. All of our families and students appreciate the wonderful donations that Master Lian Tzi and the Lotus Light Charity have given to us in the past year. The instant noodles, the laundry soap, the hygiene supplies and the gift cards are of great help for our families.

Grandview looks forward to a continued partnership with Master Lian Tzi and the Lotus Light Charity Society.

Thank you again for the support you give to our community.
