Vancouver, BC, Canada V6A 1P3

July 4, 2023

Dear Master Lian Tzi,

Thank you so much for your generous donation of 1008 bottled water and 26 cases of Britannia Treat Choco Biscuits to the Vancouver Aboriginal Shelter at the 201 Central Street, Vancouver, BC. Donors like you help keep our efforts of feeding our communities most vulnerable individuals everyday.

We are distributing the 1008 bottled water and 26 cases of Britannia Treat Choco Biscuits, which we have received on July 2nd, 2023, to our guests who are staying at the 201 Central Shelter. The Vancouver Aboriginal Shelter is one of the shelters which is run by the Vancouver Aboriginal Friendship Center (VAFCS). Most of our clients prefer to stay at the shelter because the Centre provides them with food, shelter, personal hygiene equipment and supplies, and clothes that come through donation.

Your donation of the 1008 bottled water and 26 cases of Britannia Treat Choco Biscuits is a great addition to what the program provides to the clients. It helps us ensure that all our clients get clean water and food to drink during this hot season. The donation is well-received as it arrived at a much-needed time.

While distributing the donations, we observed the delight and gratefulness of the guests whom we support. We are very grateful for this.

Thank you once again for your generous contribution to our shelter program.

In Friendship,

Susan Tatoosh, *Executive Director*
