Dear Master Lian Tzi,

The Heart Tattoo Society would like to extend our gratitude for the Donation of Olympia yogurts we got on December 4th. This donation is a critical product that all people within the DTES need on a daily basis.

This donation was met with smiles considering the expiration date. Since it was within the date, we could give it to schools, low income families and many elders. This donation went quickly with 95 cases going to intercity elementary schools, 50 cases given out on hastings that day, and a whole pallet given to families and elders through 2 grocery programs Watari hosts.

We once again want to extend our gratitude with this donation. We always value and honour the relationship and collaboration our organization has the Lotus Light and yourself. We wish you a very pleasant and joyous holiday season.

Regards

Chef Evan Reeks
