Dear Master Lian Tzi,

The Heart Tattoo Society, DTES Hub, Watari Counselling and Migrant farm workers program would like to thank you for the amazing donation of toys that came in Thursday.

These toys are amazing for the fact that they will be distributed to many families, women's centers, single mom grocery hampers, and ready for individuals to pick up to give to their young family members. This came just in time

As always, we are appreciative of everything you and team do for this community, and we honoured by our continued partnership.

Regards

Chef Evan Reeks
