

## Dear Lotus Light Charity Society,

I am writing to express my heartfelt gratitude for awarding me the 2024 Lotus Light Scholarship Award. I am deeply honored to have been selected as a recipient, and your generosity is truly inspiring.

I will be attending the University of British Columbia this fall to pursue a degree in Engineering. As someone who moved to Canada from Tamil Nadu, India, at a young age, and lived in 4 provinces, I have experienced firsthand the challenges and opportunities that come with adapting to new environments. This scholarship not only alleviates the financial burden of my education but also motivates me to continue striving for excellence and to make a meaningful impact in my community.

My journey has been shaped by a relentless pursuit of knowledge and a strong desire to contribute positively to society. Volunteering at Neil Squire to modify toys for children with disabilities, participating in the Burnaby Youth Leadership Program, and mentoring young children at SFU Summer Camps have all been significant experiences that reinforced my passion for community service. These activities have taught me the importance of perseverance, compassion, and leadership—values that I carry with me to university.

The mission of the Lotus Light Charity Society—promoting a stronger community through caring and learning—resonates deeply with me. I am inspired by your dedication to providing essential services, such as the Lotus Light Annual Winter Charity Drive. These initiatives showcase the profound impact that thoughtful and generous actions can have on individuals and communities. I am committed to carrying forward these values of compassion, service, and education as I embark on my university journey.

I am excited to leverage my engineering skills to develop innovative solutions to pressing global challenges, particularly in areas like renewable energy. I also aspire to mentor fellow students at UBC, fostering a sense of responsibility and community engagement, much like the Lotus Light Charity Society does, through clubs and events.

Your generous support is more than just financial aid; it is a testament to the belief you have in students like me to make a positive difference in the world. It motivates me to strive for excellence and to use my skills and knowledge to contribute meaningfully to society.

Thank you once again for believing in my potential and for your unwavering support. I am committed to honoring your faith in me by working hard, giving back to the community, and embodying the values of Lotus Light Charity in all my endeavors.

With heartfelt gratitude,

*Akash Karthikeyan*
