Vancouver, B.C., Canada V6A 1P3

Dear Master Lian Tzi,

On behalf of Outreach and the students of our program, we would like to express our heartfelt thanks for your incredibly generous donation of food and event tickets. Your kindness has made a significant impact on the lives of our students and their families, and we are truly grateful for your support.

The food you provided will ensure that our students have the nourishment they need to focus on their education and succeed in school. In addition, the tickets to the Winter Fair will offer our students a much-needed opportunity to experience something special, giving them a sense of joy and excitement this Christmas.

Thank you again for your thoughtful and impactful contribution.

All my best,

Sadie James
