

## **A MESSAGE *from* PREMIER DAVID EBY**

As Premier of British Columbia, I am pleased to extend warm greetings to everyone participating in the 9th Annual Lotus Light Charity Society's (LLCS) Community Caring Day.

While our government continues to address the systemic challenges of poverty, homelessness and food insecurity, we are thankful for the many dedicated charitable organizations who provide additional supports to those in need. For years, LLCS has been assisting the most vulnerable people in Vancouver's Downtown Eastside, raising awareness and offering vital resources. This annual event continues that work by bringing together volunteers and community partners to provide a free lunch to low-income residents. Community Caring Day will also recognize the recipients of this year's Lotus Light Scholarship as well as the event partners and sponsors being presented with community partner certificates. When we come together to support the most vulnerable members of our society, we nurture a spirit of compassion and understanding, creating a stronger and more united community that uplifts us all.

I would like to thank the Lotus Light Charity Society for their hard work coordinating this event, as well as the generous partners and sponsors for their contributions. My heartfelt appreciation for your ongoing efforts and dedication to supporting your community. Together, we can build a future where every person has the support they need to succeed.

Please accept my best wishes for an uplifting event!

A handwritten signature in blue ink, reading "David Eby".

**Honourable David Eby, KC**  
*Premier of British Columbia*
