Attention: Master Lian Tzi, President

Dear Master Lian Tzi,

It is with great thanks that I send this letter to you today. We received a large food donation from your Society through your Special Projects Coordinator, Ada Jang. This food greatly helped the families and seniors that come to our food bank in South Burnaby and we were able to supplement the hampers we give out. Each week our food hubs in Burnaby support up to 5000 people so this was a great help!

We appreciate the kindness of your organization and your wonderful staff team. Thank you for supporting the Burnaby Neighbourhood House in our efforts to reduce hunger for our citizens.

Highest Regards,

Simone Brandl
