Dear Master Lian Tzi,

The Heart Tattoo Society would like to extend our gratitude for the noodles and black tea drinks. With Heart Tattoo Society being a part of the DTES Food Sovereignty Co-op, your generous donations help reach 40 partner organizations within the DTES and GVA.

The team at Lotus Light Vancouver has been donating to this cause for the last year and a half, and are allowing us to reach food donation amounts of upwards of 46000 kilograms. I've attached a graph representing our July 2022 numbers.

Thank you again so much Maser Lian Tzi, it's a pleasure to work alongside your organization and the amazing people with in it.

Regards

Chef Evan Reeks
