Dear Master Lian Tzi,

The Heart Tattoo Society would like to extend our gratitude for the Donation of plant based protein products as donated by TMRW Foods. We weighed the products and have received 395.95 Kilograms of these amazing products.

It's amazing to show that in the last 5 months, from you and your amazing team at Lotus Light Vancouver, 20 thousand kilograms of food has been rescued thanks to your amazing generosity and established connections. These products go towards feeding many people every day, and contribute enormously to our 54 thousand meals produced this year.

We want to thank you once again for the connection, community engagement and generosity of your society, and as always, we look forward to many more years working alongside you.

Regards

Chef Evan Reeks
