

Dear Lotus Light Charity Society Scholarship
Donors,

I am incredibly honoured to be selected as a scholarship recipient. I am deeply grateful for your generous donations which make this scholarship program possible. Your kind donation has given me some peace of mind around the financial burden of post-secondary education. This will allow me to spend more time studying and not having to work as much. I am excited to attend VBC this fall. Thank you again for your support I appreciate it so much.
