

July 2023

Dear Master Lian Tzi, Members & Volunteers of the Lotus Light Charity Society,

On behalf of the staff, members and volunteers of the Strathcona Community Centre Associations' Back Pack Food Box Program; we thank you for your many generous donations provided to us for the last decade.

Lotus Light has been supporting the Backpack program since Winter 2013 when you generously donated \$1000 and began delivery of fresh, dry and frozen foods to our program. This food has helped with the distribution of food boxes to our community members who access our program. This membership currently consists of 174 families, numbering 734 individuals benefiting from the support it has provided.

Thank you for being a generous partner to our program, we appreciate the care you take and the kindness you show us. Our members and community thank you and wish you many years of great work to come.

Sincerely,

A handwritten signature in blue ink that reads 'Lindsey Foley'.
