Dear Master Lian Tzi,

I am writing to you today to express our gratitude for the instant noodle donation. These products both the spicy and non spicy beef flavour went a long way with our hamper and meal programs.

We were able to take 3 pallets of these products with a number of cases going towards Watari Counseling, Aboriginal Front door Society, helping seniors at a local medical facility and towards our free grocery store at 138 E Hastings. People really enjoyed them.

As always, we appreciate you and your team's generosity when it comes to these donated products. They go a long way in helping to ease the burden of food insecurities of our neighbours and community as a whole.

Regards

Chef Evan Reeks
