

To Master Lian Tzi,
President, Lotus Light Charity Society

Dear Master Lian Tzi,

On behalf of the entire Enactus Capilano team, our Greensavours project members, and the Capilano University community, we wish to express our most heartfelt thanks for your ongoing and deeply impactful generosity.

The consistent support from Lotus Light has been the foundation of our bi-weekly Greensavours events. What began as a simple initiative has developed into a cherished campus event, eagerly anticipated by students. Because of you, we are able to offer not just nourishing meals and snacks, but a truly welcoming haven that grows connection and a powerful sense of community.

The tangible difference your contributions made this term is truly inspiring. Together, we have been able to:

- Welcome over 400 students to our shared tables.
- Provide 787 nourishing food items to those in need.
- Share 165 lbs of fresh, wholesome fruit, including apples and the delightful longans.
- Host multiple thriving gatherings, each one a testament to the power of our partnership.

Behind these numbers are the smiling faces of students who found a moment of comfort and the simple joy of a shared meal. For many, these bi-weekly events have become a vital source of support and connection, a reality made possible only through the compassion of Lotus Light.

Our team holds this partnership in the highest regard. We are not only grateful recipients but also eager supporters of your noble mission. It would be our distinct privilege to assist Lotus Light in any way we can. Should you ever need additional volunteers or support for your own initiatives, please do not hesitate to call us.

Thank you, once again, for your profound kindness and unwavering commitment to fostering well-being. Your support is a gift we treasure, and we look forward with great excitement to the future of our collaboration.

With warmest regards and deepest gratitude,

The Enactus Capilano University – Greensavours Team
